There are going to be notable changes happening in Orange and San Mateo County Courthouses.

**- Orange County:**

**- Effective April 2, 2019:**

- Orange County Superior Court will restore Civil/Small Claims services as well as a SelfHelp Center at the West Justice Center, effective Tuesday, April 2, 2019, fulfilling the court's core mission to provide access to justice and effectively serve the public in all jurisdictions of the county.

**- San Mateo County:**

**- Expands Permissive eFiling to Family Law Cases:**

- In an effort to promote sustainability and make document filing less cumbersome, the San Mateo Superior Court has expanded its permissive electronic filing (e-filing) program to include Family Law cases.

**Best,**
